Ushuaia is located in the southwest of the Argentine territory of Tierra del Fuego. It is the southernmost city in the world, only 1000 km from Antarctica. The city has several landmarks, such as the Nuestra Senora de la Merced church tower and the sign indicating the distances between Ushuaia and Buenos Aires and Ushuaia and La Quiaca. One can not miss the Tierra del Fuego National Park. It is a preserved and unique site of infinite beauty. To access this area you will need to take a short but beautiful passage through Chile that requires extra insurance coverage.
