

Kangaroo island - Southern Australia

Animal lovers, Welcome!

Take advantage of the rich natural beauty of Kangaroo Island in your motorhome. Walk amongst indigenous wildlife in one of the most beautiful national parks and be lulled by the sound of the water lapping along splendid, deserted beaches.

Kangaroo Island is home to many interesting animal species. You can see pelicans, giant cuttlefish, penguins, possums, kangaroos and wallabies. You can also see endangered sea lions, otters and koala bears which spend their days in the trees at **Hanson Bay** and the Western KI camping. There are also many activities to do on the island such as fishing, surfing, hiking, snorkeling and diving. Or simply find your own, private beach cove to relax in!

There are also many **good restaurants** on the island in which you can enjoy oysters, lobsters and other seasonal seafood. The **Kangaroo Island Festival** takes place in May, at which you can try many culinary specialities. In your motorhome you can travel around and maybe find some other Kangaroo Island delights, such as Lugarian honey and good wines.
