Renting camping cars, 4x4s and trucks in Kasane

Rent a camping car, 4x4 or a truck with CampingCar-Online/Ramble Campervans to depart from Kasane. We can offer you backpacker, standard or luxury models. Our specialists will guide you step by step through the rental process in this city.

Kasane is a small town with a population of 10 000. It is situated at the northern tip of the country at a crossroads of 4 country borders (Namibia, Botswana, Zimbabwe and Zambia). Kasane is on the edge of the majestic Chobe National Park, home to hundreds of animal species including the biggest elephant population in Africa.

The town has an airport so you can fly in before renting your camping car or 4x4 and head off to explore the wonderful natural reserves and parks.
