Copiapo is a mining town and the capital of the Atacama region. The natural sites around the city are beautiful and worth visiting. There are beautiful beaches such as Bahia Inglesa's beach. There are also wonderful national parks: Nevado Tres Cruces National Park and Pan de Azucar National Park. If you travel in the spring don't miss the "El Nino" phenomenon in the north of the city when rare desert rains give bloom to endless fields of flowers. The spectacle is magical.
