Puerto Montt and Puerto Varas are the perfect reflection of the warm southern culture that is associated with lovely cities set in exceptional natural surroundings. This is certainly one of the most attractive destinations in Chile. In Puerto Montt you can enjoy excellent seafood from Angelmo Bay and buy local crafts at the market. Many beaches are only a few kilometres from the city centre.

Puerto Varas, the "city of roses", is situated on the shore of Lake Llanquihue. It is best explored on foot to appreciate its unique architecture. The shoreline path gives a splendid view of the two Osorno and Calbuco Volcanoes set above the crystal clear waters of Lake Llanquihue.

The surrounding area of the two cities has natural thermal baths and impressive waterfalls. It is also an excellent starting point to explore the more southern regions of the country.
