Helsinki is one of the most beautiful capitals in Europe. Its architecture ranges from neoclassical to Art Nouveau and its cultural dynamism gives great charm to this seaside city. Helsinki is also the intellectual and economic centre of the country. It is a gentle and engaging place that is new and modern while managing to remain close to nature. Do not miss the central station plaza, the Esplanade (Esplanaadi), the Market Square (Kauppatori), the Katajanokka district and the huge and magnificent Helsinki Cathedral. Also enjoy the large parks and small islands that create a "green" atmosphere.
