Rovaniemi is located in the Arctic Circle. It is a new and modern city with much cultural dynamism from its modest population of 60 000. Some city sights include the church built in 1950 and decorated with a fresco 14m high and the Pöykkölä Ethnographic Museum laid out in a beautiful Nordic style house. The House of Korundi Culture hosts many exhibitions and concerts by the Lapland Chamber Orchestra established in 1972. Also visit the Arktikum Centre to learn more about the area. It is housed in a huge glass tunnel next to the Ounasjoki River. And don't forget that Rovaniemi is also Santa Claus' post office!
