

Driving and Permits in Switzerland

Driving and driving licenses in Netherlands

Tips and guidelines for driving a motorhome in Netherlands

Basic driving rules in Netherlands

Driving is always on the right hand side of the road and priority is to the right.

It is imperative that you carry your national driving license. If the license is not in French, English, German or Italian, you will have to obtain an international driving license.

In traffic circles, traffic moves in a anticlockwise direction.

All occupants of a motor home must wear a seat belt, both front and rear. Children under 1.35m must travel in a **child seat or baby seat of ECE44/04** standard.

Always overtake on the left and leave a good distance before merging back into your lane especially in front of trucks.

The use of **cell phones while driving is prohibited** but hands-free kits are allowed

The speed limit for motorhomes is:

- 30km/h in residential areas
- 50 km/h or 60km/h in cities and agglomerations
- 80 km/h on most roads
- 120km/h on highways

The legal blood alcohol level must be less than 0.5 g/l. For **young drivers (under 24 years old)**, the alcohol level must be below 0.5 g/l. Otherwise, legal proceedings will be initiated.

In the case of an accident, first call: 112

Be aware that traffic signals differ from vertical to horizontal from one country to another. Pay attention and adjust your driving!

This information is subject to change from time to time. Be sure double check before your trip.
