Skiing in New Zealand

In your motorhome in New Zealand you can enjoy the ski slopes and snowy mountains for a few days. New Zealand has beautiful ski areas and a variety of slopes for all levels. The best season for skiing is from June to October.

In New Zealand you can enjoy the snowy mountains, as well as the beaches! Thanks to your rental motorhome you can organise your holiday exactly as you wish. There are 17 ski resorts spread across the country between the North and South Islands. Lovers of skiing and snowboarding will be in heaven.

On the North Island in the Tongariro National Park, there are two unusual ski resorts, Whakapapa and Turoa. The ski slopes are situated on the Mount Ruapehu volcano!

The Canterbury region near Christchurch on the South Island, is another ski area called Mount Hutt. Near Queenstown you will find the best ski resorts whatever your level: The Remarkables, Coronet Peak, Cardrona and Treble Cone. You can also do snow shoeing and skating.
