Renting camping cars, 4x4s and trucks in George

CampingCar-Online/Ramble Campervans offers you a choice of backpacker, standard or luxury motorhome rentals and 4x4 vehicles in George. Our specialists will help you step by step through this rental process in South Africa.

George has a population of about 150 000 and a magnificent natural setting nestled between the ocean and the Outeniqua Mountains. It is situated half way between Port Elizabeth and Cape Town, making it a good departure point for getting the most out of a short road trip. Heading south towards the sublime city of Cape Town you will travel along the Garden Route, famous for its exceptional beauty. In the opposite direction heading towards Port Elizabeth, you will discover some excellent parks and reserves home to many magnificent African animals.
