Almeria is a coastal city with a population of 200 000. It is situated in the extreme southeast of Spain along the Mediterranean Sea, surrounded by mountains and close to the Tabernas desert giving it a unique charm. Almeria has a rich cultural heritage to discover. One of its most iconic monuments is the magnificent Alcazaba, an Arab fortress. Its position in the southeast of Spain, near Granada makes it an excellent starting point to explore the south coast or to head up to Barcelona along lovely beaches.
