Stockholm is the capital of Sweden and has about 1.6 million inhabitants. It is built on no less than 14 islands and stands between Lake Mälaren to the west and the Baltic Sea to the east. From its historical centre to its modern areas you will discover a city that is just as lively and welcoming as it is peaceful. The city is full of impressive historical sites and trendy neighborhoods with vintage boutiques and internationally renowned designers (Östermalm and Södermalm).

On Stadsholmen Island, the heart of the Old Town (Gamla Stan), enjoy strolling along winding cobbled streets lined with shops and cafes. Also visit the splendid Royal Palace and the Cathedral. Stockholm has two sites listed as UNESCO World Heritage Sites: Drottningholm Palace and Skogskyrkogården Cemetery. The modern city centre is vibrant and dynamic. Visit the open-air museum Skansen, created in the 19th century. It depicts life before the industrial era and you can see the impressive Vasa wreck.
