Miami is situated between the Everglades and Biscayne National Parks. It is a multicultural city that will seduce you and promise you an unforgettable motorhome holiday. Many activities are available for sports lovers, such as surfing, water skiing, windsurfing and scuba diving around the Biscayne Bay islands or the Florida Keys. You can also enjoy the trendy suburb of South Beach and take a stroll or skate along Ocean Drive. We also highly recommend the Museum of Contemporary Art (the Moca) and the Bass Museum of Art. You can also visit the suburb of Coconut Grove, the oldest town in southern Florida.

From Miami you can explore Orlando and its famous theme parks, as well as Fort Lauderdale, all aboard your motorhome.
