

Joshua Tree

Cactus land

Travel just south of the Mojave Desert in your motorhome and you are set to discover Joshua Tree National Park.

Just a little way from Palm Springs, California lies Joshua Tree National Park. You will have no trouble getting there as the American roads are well suited to motorhomes and offer easy driving conditions.

Joshua Tree National Park is an oasis in the Mojave Desert and adorned with palms, pine nuts, juniper and Joshua trees. Climbing enthusiasts will appreciate the many rocks and crevices in the park, and everyone will certainly enjoy the rugged beauty and varied flora and fauna.

In your motorhome you will be able to simply relax and enjoy your road trip at your own pace with family or friends, without the hassle of packing and unpacking at different accommodations.
