Exploring Nevada by motorhome

Come and explore Nevada from San Francisco to Las Vegas, through the famous Yosemite National Park and Death Valley. This unforgettable motorhome road trip with family or friends is waiting for you!

After spending a few days in San Francisco Bay, head off in your motorhome towards Mariposa, known for its Butterfly Festival and its historic role in the gold rush. Further on you will reach the Yosemite National Park, one of the most beautiful parks worldwide. You will easily find campsites inside the park. Continuing your journey towards Bishop, take a stop at Mono Lake and enjoy its mysterious, colourful ambiance. Visit the Lays Railroad Museum and Mountain Light Gallery.

Not far away is the Death Valley National Park, with its wild tranquillity and many animals such as coyotes, cougars and deer. This is the hottest and driest park in the USA, so it is strictly forbidden to go there in a motorhome from 15 June to 15 September.

Your last step will be Las Vegas, the city that never sleeps! Explore this entertainment city, especially along The Strip, lined almost exclusively with hotels and casinos such as Bellagio and Caesars Palace. You will be able to find campsites nearby. We also suggest a visit to Hoover Dam, one of the largest dams in the world.
