Basic driving rules in Zambia

You must have your **national or international drivers license on you at all times**.

All of the occupants of the vehicle must wear a **seat-belt**, in the front of the vehicle as well as at the back. Child car seats and booster seats must also be used when necessary.

Driving at night outside of towns is **strongly discouraged**.

Between December and April certain roads may be inaccessible due to heavy rains in regions crossed by rivers.

Some roads are poorly maintained. A 4x4 vehicle is recommended and very careful driving is essential.

The mobile phone network is not reliable, so it is recommended **to always travel with extra reserves of water, food and fuel, as well as a first aid kit and a spare tire**.

Be aware that traffic signals differ from vertical to horizontal from one country to another. Pay attention and adjust your driving!
