

Namibia

Namibia: A country with wide horizons

One can fall in love with **Namibia** very quickly. The country has a strong **natural heritage** and a breathtaking beauty of red sand dunes, savannah, blue and purple mountains and coasts in deserts with gigantic dunes. Namibia, marked with a colonial history, also offers a solid, modern infrastructure and an impressive cultural diversity.

The **beautiful landscapes** are home to an **amazing wildlife**, including zebra, oryx, kudu, black rhino, desert elephants, cheetahs, lions and many birds.

Do not be surprised by the **long distances** in Namibia that can be deceiving. It is easy to embark on endless trips through the passing landscape.
