

South Africa

4x4 or truck safaris in South Africa

Have you ever dreamed of watching lions, elephants, cheetahs and giraffes through the panoramic windows of your motorhome? South Africa, the "Rainbow Nation", is situated between the Indian and Atlantic Oceans and extends over almost 2000 km from north to south and about 1500 km east to west. South Africa offers an amazing diversity in flora, fauna, landscapes, people, culture and language.

Explore semi-desert landscapes, snow-capped mountains, national parks such as the Kruger Park and the beautiful, manicured vineyards of the Cape.
