

Zimbabwe

Meet the Big Five!

In Zimbabwe, tradition, culture and spirituality mix with good infrastructure and make for an ideal trip.

Zimbabwe is the African dream for most travellers. There is so much to discover: landscapes dotted with **kopje** (small hills with towering rocks on top), the **Big Five** (lion, leopard, elephant, rhino and buffalo) and **Victoria Falls** ...

Lots to discover in this less travelled country in which we do not often take the necessary time to explore.
