MORE, MORE, MORE ABOUT THE BEAVER MODELS

Very recent vehicles: model year 2024-2026*.

Departures: possibility of **departure in the morning**.

Transfers: between certain hotels (list on request) or the international airport to the rental center. Transfer also on the day of return between the rental center and the international airport

7 rental centers from the east to the west coast.

Possibility to pick up here and drop off elsewhere (**one-way**), please consult us.

Optional equipment (GPS, Wifi Hotspot, bikes etc.).

*The in-service date of a vehicle is the date on which the very first hirer drove the vehicle. Example: a vehicle with an in-service date of 2026 was first leased after January 1, 2026, even though it was manufactured in 2025.

THE DAY "D"...

Departures are between 8:30 am and 3:00 pm.

Transfers are organized until 1:00 pm. Please let us know where you would like to be transferred (list on request).

You will need to contact the rental center one or two days before your departure to indicate the time of your arrival at the rental center or to know the time of your transfer.

You will not be able to pick up your vehicle the same day you arrive on an international flight. We recommend that you spend the first night in an airport hotel or motel.

Departures in motorhomes can be long, especially during the high season, so we strongly recommend that you do not plan a long trip on the first day. Remember to have a good look at the vehicle inside and outside (or take pictures).

...AND THE LAST DAY

The vehicles must be returned between 8:30 and 11:30 at the latest (think of the next traveler...). The vehicle must be returned in a correct state, with the black and grey water tanks emptied. The gas tank must be returned with the same quantity as on the day of departure.

TRAVEL WITH YOUR KIDS

Good news, most Beaver models have 3-point belts! But ask beforehand which models can be fitted with child seats or booster seats. For large groups, you should also find out how many child seats and/or booster seats can be fitted in the same vehicle.

We can offer you child seats and or booster seats on these models. However, you will have to tell us the age, weight and height of your children at the time of booking.

SOME TIPS FROM THE TEAM OF CAMPINGCAR-ONLINE, ROAD TRIP ORGANIZER IN CANADA SINCE 2001

It is possible to rent motorhomes in Canada all year round but beware that temperatures in this vast country can be extreme. Most of the vehicles can be "winterized" from mid-October to mid-April. During the summer period, the vehicles are reserved very, very early (about 8 months). Don't delay in asking us for availability! We will be happy to help you with your itinerary, but first you need a vehicle!

GENERAL CONDITIONS

The rental contract itself, regardless of the manner in which the reservation and payment of the rental were executed, brings together the company that owns the fleet, the "renter", and the person signing the contract, the "hirer". The exchange of the vehicle by the hirer implies the unreserved acceptance of the following general rental conditions.

Use of the vehicle: The hirer agrees to use the vehicle in a prudent and normal manner, to use it only for his personal needs, and not to sublet it, nor to transport people for a fee. The driver must take the utmost care of the vehicle's water and oil levels. The renter is not allowed to participate in any match, race, rally or other competition of any kind, as well as test-drives or training. The hirer agrees not to use the vehicle for any illegal purposes or purposes other than those specified by the manufacturer, and not to overload the rented vehicle by carrying more passengers than indicated on the vehicle's registration document. The hirer agrees not to attach a trailer or similar vehicle, not to make any modifications to the vehicle.

Availability: Every effort is made to ensure that the reserved vehicle is available. However, if, due to unavoidable circumstances, the reserved vehicle is not available, the renter reserves the right to substitute it with another vehicle of equal or greater value. Any subsequent expenses (including, but not limited to, additional ferry costs, fuel, etc.) are the sole responsibility of the renter.

If the renter decides that the reserved vehicle model is too large, the renter may offer a smaller vehicle if available. There will be no charge for the vehicle exchange; however, no refund will be given for the price difference between the categories.

Drivers: A valid driver's license from the country of residence is required. All drivers must present their original license (copies are not permitted), be **21 years of age or older**, and there is no maximum age limit. An International Driver's Licence is recommended but is only valid in combination with the national driver's license.

International Driver's Licence: The International Driver's Licence is a special license that allows motorists to drive internationally and is valid only when accompanied by a valid driver's license from the country of residence. The renter does not require an International Driver's Licence but recommends that renters have one in case they are stopped by the police. Driver's licenses that are not printed in the Latin alphabet must be accompanied by an International Driver's Licence in English. The renter accepts no responsibility if law enforcement refuses to accept a license on the grounds that it is not accompanied by an International Driver's Licence.

Departures: Departures are from Monday to Saturday between 8:30 AM and 3:00 PM. For departures on Sundays in

Vancouver and Calgary (May to September only), vehicles can be collected between 8:30 AM and 1:00 PM. Departures on the same day of arrival are not permitted if arriving on a flight where the total flight time exceeds 6 hours (including connecting flights). In such cases, renters must spend the first night in a hotel. Renters making their own way to the rental station are advised to inform the rental center of their expected arrival time at least one business day in advance.

Shuttle transfers are available until 1:00 PM. In Toronto, transfers are offered to and from the airport and airport hotels only. No refunds are provided for unused transfers in one direction. To arrange a transfer, the renter must contact the departure rental center 3 to 5 days before the day of departure. Shuttle transfers are prioritized on a first-come, first-served basis.

The renter will not offer any refunds for rentals returned before the agreed return date.

All charges are subject to a final audit. In the event of overcharging or undercharging, the renter will pay the corrected amount or receive a refund.

Vehicles are supplied to the renter with a full tank of fuel (gasoline or diesel) and must be returned with a full tank.

Return of the vehicle: Returns are between 8:30 AM and 11:30 AM, inspection ready. If the renter returns the vehicle to a location other than that specified on the rental agreement, the renter agrees to pay the original rate plus any applicable redistribution or towing charges. The renter is advised to report any problems with the rental vehicle as soon as possible. No refund for inconvenience or loss of vacation time will be considered for unreported problems.

Shuttle transfers for returning customers operate on a first-come, first-served basis once the return procedure has been completed. Renters cannot reserve the shuttle in advance. Transfer times may vary according to traffic conditions. The shuttle service is available until 1:00 PM.

Vehicles must be returned clean, including the kitchen, bathroom, and common areas. A penalty of \$50 per hour will be applied for cleaning vehicles returned in unsatisfactory condition. If the vehicle is returned without emptying the black and grey water tanks, a penalty of \$35 will be applied. Washing of the exterior is not required; however, it is recommended that renters traveling to the Northern Territories wash the vehicle exterior before returning it to avoid any delays during the return process.

All rental vehicles are non-smoking. The renter reserves the right to apply a penalty of \$250 if a vehicle is returned smelling of smoke.

Refunds / Repairs / Loss of use: All replacement parts or repairs in excess of \$50.00 require prior authorization from the renter. Refunds can only be made upon presentation of a valid receipt. Malfunctions of air-conditioning systems, microwave ovens, refrigerators, radios, slide-outs and cruise controls are not considered breakdowns, and such malfunctions do not warrant a vehicle exchange. However, if repairs to these appliances or features are carried out on the road by the renter, the repair cost will be refunded.

No refund will be given for loss of use due to lost time resulting from accidents, damage or breakdowns, nor for subsequent expenses arising therefrom (including, but not limited to, pre-booked campsite fees, event fees, rebooking fees, ferry expenses, etc.).

Safety belts and child seats: The number of passengers must not exceed the number of seatbelts when the vehicle is in motion. The types of seatbelts (lap or 3-point) and the presence of tether hooks for infant, child, or booster seats vary according to the vehicle model. In all cases, it is the renter's responsibility to decide whether to use an infant seat, child seat, or booster seat in the rented vehicle. The renter will provide guidelines but will not make this decision on behalf of the customer.

Pets: Pets are permitted by prior arrangement only. A surcharge of \$200.00 per pet applies.

INSURANCE

The daily rate includes liability insurance covering the renter up to \$5,000,000.00 for any claim for bodily injury or property damage to a third party arising out of the use of one of his vehicles, provided that all safety instructions recommended by the renter have been followed. The daily rate also includes vehicle damage insurance with a \$7,500 deductible applicable per occurrence. All insurance coverages will be declared null and void if any of the terms of the rental agreement are not met.

Partial Damage Waiver (Collision Deductible Reducer – CDR): unless excluded, reduces the deductible amount from \$7,500.00 + tax per incident to \$750.00 + tax per incident (not available for departures from Whitehorse from November 1 to March 31). This coverage provides for the replacement of the vehicle if it is no longer operable, even if the renter is at fault (unless the malfunction is a direct result of the renter's negligence, misuse, abuse or violation of any regulations). The replacement vehicle will be delivered to a location agreed upon by the renter and will be limited to a province or state adjacent to the province in which the renter originally picked up the vehicle. The renter is not required to deliver the following models: Van Conversion, C?Large, C?XLarge in the Yukon, Northwest Territories, Nunavut, Newfoundland, Labrador or Alaska. Lodging, meals, etc. are the responsibility of the renter.

The following damages are covered by the CDR at the reduced deductible of \$750.00 + tax per incident:
Damage to the vehicle as a result of a traffic accident or collision (including the upper and lower parts of the vehicle);
Hit and run, vandalism,
theft or fire;

Damage to the vehicle as a result of burglary;
Damage to tires;
Damage to the windshield and windows;
Damage to the vehicle as a result of a collision with an animal;
Damage to the vehicle as a result of reversing the vehicle;
Damage to the vehicle as a result of a natural disaster (hail, floods, storms); Damage to the interior of the vehicle;
Replacement of lost keys or recovery of keys left inside the vehicle.

Full Damage Waiver (Collision Deductible Waiver – CDW): unless excluded, reduces the deductible amount from \$750.00 + tax per incident (under the CDR agreement) to \$0.00 + tax per incident (not available for departures from Whitehorse from November 1 to March 31). This coverage is only available in combination with the CDR agreement.

The following damages are covered by the CDW with a \$0.00 + tax deductible per incident:

Damage to the vehicle as a result of a traffic accident or collision (including the upper and lower parts of the vehicle);
Hit and run, vandalism, theft, break-ins or fire;
Damage to the vehicle due to burglary;
Damage to tires;
Damage to the windshield and windows;
Damage to the vehicle as a result of a collision with an animal;
Damage to the vehicle as a result of reversing the vehicle;
Damage to the vehicle as a result of a natural disaster (hail, floods, storms);
Damage to the interior of the vehicle; Replacement of lost keys or recovery of keys left inside the vehicle.

Insurance exclusions: the renter will be fully liable in the following circumstances:

Damage caused by negligence or intentional damage;
Damage caused by an unauthorized person driving the vehicle (not listed in the rental agreement);
Damage to the vehicle due to failure to maintain proper fluid levels;
Damage due to the use of improper fuel, contaminated fuel or fluid;
Damage due to failure to maintain proper tire pressure;
Damage due to improper use of the brakes (overheating), or transmission or any other component of the drive train;
Damage due to driving the vehicle in an unauthorized area;
Damage due to failure to comply with height restrictions or other road signs;
Damage resulting from driving with the awning and/or slide-out deployed, or by using the awning in rainy or windy conditions;
Damage caused by driving under the influence of alcohol, drugs and/or other substances, or while fatigued, including falling asleep while driving;
Damage caused by driving on icy roads;
Damage caused by the use of snow chains;
Interior damage caused by one or more pets;
Damage caused by failure to comply with the rental agreement.

Theft, loss or damage to personal property and personal injury are the responsibility of the renter.

For all damages exceeding an estimated \$2,000.00 + tax and not covered by deductible agreements, a replacement vehicle will only be shipped upon receipt of full payment of the estimated damage amount. Additional charges or refunds (if any) will be processed once the actual cost of repair has been determined. The cost of towing or recovering a vehicle not covered by roadside assistance (Ford / Dodge) is not covered by the CDR or CDW agreements, unless the renter can prove that they contacted Ford / Dodge and the service was refused. Theft, loss or damage to personal property and personal injury are the responsibility of the renter.

Third Party Insurance: If the renter is covered for damages by third party insurance, the renter agrees to pay the rental company for all damages upon return. It is the renter's responsibility to claim from their third party insurance company and review their own policy to ensure that all damages are covered.

Security Deposit: A damage deposit is required at the time of departure, authorized on a major credit card (Visa, MasterCard, or American Express). The following amounts will be authorized depending on coverage: Basic Insurance: \$7,500.00 + tax; CDR option: \$750.00 + tax; CDW option: \$100.00 + tax. In the event of an accident, the renter will retain the security deposit until the motor vehicle insurance company determines liability for the accident. If the motor vehicle insurance company notifies the renter that the renter is not at fault, the renter agrees to reimburse the security deposit immediately after receiving notification from the motor vehicle insurance company. The renter shall not be liable for any exchange rate fluctuations during the period a security deposit is held.

Travel Restrictions: Travel to the Yukon, Northwest Territories, Nunavut or Alaska (USA) is permitted, but the renter will not provide a replacement vehicle in these areas. It is not recommended to travel in these areas with the following models: C?XLarge or A?30.

The renter does not allow travel to the following locations: Mexico, Death Valley, California, between June 1 and August 31, On non-public roads and off-road driving

The renter does not allow the vehicle to be left unattended in the following locations: Montreal, Quebec, Ottawa, New York. Failure to do so will void all coverage options and make the renter liable for theft and/or damage.

Large Events: Use of the rental vehicle for any large outdoor event may be subject to an additional deposit or

surcharge. Vehicles for festivals and events must be explicitly requested at the time of booking.

Participation in the Burning Man Festival with a rented vehicle is not permitted. Failure to comply with this restriction will result in a penalty of a minimum of \$5,000.00, cancellation of buy?back coverage, and liability of the renter for all costs involved (including, but not limited to, damage and clean?up).

Restrictions in the Northern Territories:

(British Columbia) Highway 20 between Anahim Lake and Bella Coola: prohibited for C?XLarge

(Yukon) Canol Road Highway 6, North of Roth River and Aishihik Lake Road, between Dease Lake and Telegraph Creek: no insurance coverage

(Alaska) Dalton Highway 11 between Coldfoot and Prudhoe Bay, McCarthy Road between Chitina and McCarthy: no insurance coverage

Other Restrictions: The renter reserves the right to limit travel on certain roads or sections of road. The conditions for vehicle replacement in case of breakdown or accident described above do not apply to the above?mentioned routes.

Winter Travel: All vehicles departing between October 1 and April 30 may be subject to winterization. The decision will be made based on the expected temperatures at the time of departure and the weather forecast. If the vehicle is winterized, there will be no water on board, external water cans will be required, and the shower will not be usable. If you wish to use the toilet, plumbing antifreeze (not to be confused with motor vehicle antifreeze) must be used so that liquids do not freeze in the tank. The same applies to sinks (grey water). If you plan to empty liquids into the grey water tank, a cup of antifreeze will be needed after each use to ensure that the water does not freeze in the siphon, and the tanks cannot be filled to more than 50% (leaving enough air to allow expansion should the contents still freeze). As all public dumps will be closed, a \$25.00 fee will be levied on return if the grey or black water tanks have been used.

If temperatures are expected to be below ?35 °C, the renter reserves the right to cancel the rental for safety reasons.

In the event of an accident: any damage and/or injury involving a third party (vehicle, person and/or property) must be reported immediately to the police. All damage must be reported to the renter as soon as possible.

Make sure no one has been injured. Call the police and an ambulance (if necessary). Contact the rental center.

Contact the third party involved:

Record the name(s), address(es), license plate number(s), make(s) and model(s) of the vehicle(s) of the third party(ies) involved or of the damaged property if no third party was involved.

Record the name of the third party's insurance company.

The renter must not admit any responsibility.

Make a police report within 24 hours.

Complete and sign the "Accident report" found in the vehicle.

Obtain a copy of the police report and immediately forward it to the renter.

Record the exact location of the accident.

Use a camera or video camera to record the exact circumstances of the accident.

If there are witnesses, contact them and take their contact information.

For all damages in excess of an estimated \$2,000.00 + tax that are not covered by the renter's deductible options, a replacement vehicle will be sent only upon receipt of full payment of the estimated amount of damage. Additional charges or refunds (if any) will be processed once the actual cost of the repair has been determined.

Fines and penalties: the renter of the vehicle is fully responsible for all toll charges and fines or other consequences resulting from violation of traffic laws, parking ordinances or bans, or any other laws or regulations, during the rental period. As a courtesy, the renter will ensure that tickets and fines are paid in a timely manner if the renter provides the ticket and payment. For any ticket, fine or toll processed after completion of the rental agreement, the renter reserves the right to charge an administration fee of up to \$25.00 in addition to the amount of the fee and/or fine and associated costs. All charges will be debited from the renter's credit card and the renter will be notified by e?mail or regular mail. Renters are encouraged to inform the renter of any potential toll charges or fines at the time of return in order to avoid administration fees.

Change fees: the first change to the booking details, whether it be travel dates, duration or vehicle size, will not incur a service charge. Any additional changes will be billed at \$50.00 + tax. The renter reserves the right to revise costs, so the reservation may be subject to a cancellation and rebooking process and therefore incur the appropriate cancellation fee.

Reservations are not transferable to other renters. Changes in renter names will be treated as a cancellation and rebooking, unless the renter who originally made the booking is present at the time of departure.

Consecutive rentals for the same renter will be treated as two separate rentals. A renter may not book two consecutive rentals in order to benefit from a tax reduction or special offer that would not otherwise apply. Example: If rental no. 1 is to be dropped off on June 1 and rental no. 2 is to be picked up on June 1 at the same location, the renter must return the vehicle and end the first rental on June 1.

Note: all changes and cancellation fees are subject to taxes.

In the event of a date change, the new travel dates must fall within the same calendar year. Postponement of the

rental date to the following calendar year will be treated as a cancellation and will be subject to fees.

The cancellation charges applied will be based on the travel dates originally requested.

The renter assumes no responsibility in the event that a reservation or rental is canceled, rescheduled, modified, postponed or interrupted due to an act of God, force majeure, unforeseen event or any other event that makes the performance of the rental impractical, illegal or impossible.

Cancellation conditions :

Cancellation notified more than 50 days before departure: 10% of total cost plus tax

Cancellation notified between 50 and 35 days before departure: 35% of total cost plus tax
