GENERAL CONDITIONS

This contract, regardless of the manner in which the booking and settlement were executed, is an agreement between the company which owns the fleet, the "lessor", and the person signing the contract, the "renter". By taking possession of the vehicle, the renter implies their acceptance of the general conditions of rental below.

Usage of the Motorhome: The renter agrees to use the vehicle in a prudent and respectful manner, driving in a judicious and normal fashion, using the vehicle only for personal travel and never subletting, or transporting other persons for a charge. The renter will make every effort to maintain the fluid and oil levels of the vehicle. The renter agrees to not participate in any game, race, rally or other competition of any nature, as well as test-drives or training. The renter agrees to not use the vehicle for any illegal purposes, or any purposes not outlined by the manufacturer, and to never overload the vehicle by transporting more passengers than have been indicated on the rental agreement. The renter agrees to not tow a trailer or any similar vehicle, and to make no changes to the vehicle.

Minimum driver age: The minimum driving age is 19 years old, and the driver must have held a valid permit for at least one year. Additional drivers agree, as a proxy of the renter, to be entirely responsible for the vehicle from the moment of pick-up.

State of vehicle: At time of pick-up, the renter will receive a document from the lessor stating all damage previously done to the vehicle. The renter agrees to conduct a complete check over the vehicle and signal any damage to the lessor that is not on the document. The renter will be responsible for any damage to the vehicle that is not indicated on the departure document. On return of the vehicle, an inspection will be made and compared to the departure document. In the case that the inspection reveals damage that was not indicated previously, the new damages (body damage, missing accessories, etc.) will be charged to the renter, to the maximum extent indicated on the rental contract.

Insurance: Only drivers who are indicated on the rental contract are covered by insurance. There are two insurance policies included in the daily rental rate:

- Third-party collision insurance: covers any damage or accidents caused to a third party by the renter.
- Damage insurance: covers theft, fire, as well as a damage caused to the vehicle by accident. This policy does not apply to internal damage, unless caused by a traffic accident, damage that was caused by a driver under the influence of alcohol or drugs, damage caused if the vehicle is operated in a deliberately unsafe manner, or if the terms of this contract are deliberately breached or breached by negligence.

The collision insurance does not cover any interior damages that are not caused by a traffic accident.

The renter is responsible for an amount up to 2,800€ per accident, damage, or equipment loss. The renter can subscribe to one of the following insurance options to decrease the deductible:

TC Plus: deductible reduced to 1,200€ minimum 7 day rental

TC Total: deductible reduced to 0.00€, minimum 10 day rental (authorized hold of 600€ on credit card)

Windshield and tire protection: daily fee covering one windshield or tire damage, minimum 7 day rental

The renter is released from his or her liability towards the rental company with regard to own risk as well if the rental company receives full indemnification from a potential third party that caused the damage or his or her insurance company.
