GENERAL TERMS AND CONDITIONS

The rental contract itself, regardless of the manner in which the reservation and payment of the rental were executed, brings together the company that owns the fleet, the "lessor", and the person signing the contract, the "hirer". The exchange of the vehicle by the hirer implies the unreserved acceptance of the following general rental conditions.

Use of the vehicle: The hirer agrees to use the vehicle in a prudent and normal manner, to use it only for his personal needs, and not to sublet it, nor to transport people for a fee. The driver must take the utmost care of the vehicle's water and oil levels. The renter is not allowed to participate in any match, race, rally or other competition of any kind, as well as test-drives or training. The hirer agrees not to use the vehicle for any illegal purposes or purposes other than those specified by the manufacturer, and not to overload the rented vehicle by carrying more passengers than indicated on the vehicle's registration document. The hirer agrees not to attach a trailer or similar vehicle, not to make any modifications to the vehicle.

FLEX RATES

All rates are in Australian dollars.

All daily vehicle rates are subject to commission.

Rental days are charged per calendar day. For the purpose of calculating the number of days a vehicle is rented, the day of pick up is counted as the first day of the rental. The day of return of the vehicle is counted as the last day of the rental. Vehicles must be picked up and returned during business hours.

All rates and conditions are subject to change without notice.

Flexible rates" determine the daily rate for the vehicle. Flexible rates are updated at least once a week. Quotes expire 96 hours after they are issued.

The flexible rate is determined by the pick-up date, location and reservation date for the rental up to 7 days. Every 7 days, the flexible rate is reset to the rate applicable on that day (i.e., the 8th, 15th, 22nd day of rental, etc.).

Changes made prior to the vehicle pick-up date will be calculated at the flex rate applicable on the date of the change.

This applies to changing the hirer's name, vehicle type, reducing the number of rental days, changing pick-up dates and/or changing the pick-up or drop-off location. When the number of rental days is extended prior to the vehicle pick-up date (days are added at the end of the rental without changing the original pick-up date), the original flexible rate, which applied at the time of the original reservation, will apply.

These rates and conditions do not apply to group rentals (5 or more vehicles traveling together).

VEHICLE LIABILITY AND REDUCED LIABILITY OPTION

Personal injury is covered in most cases by liability insurance. The lessor accepts no liability for personal injury sustained during the rental. Unless such loss or damage is caused by the lessor's own negligence (or that of its employees) or by a violation of the terms and conditions of the rental agreement, the lessor accepts no liability for any loss or damage to personal property or property of the renter (or any person or entity related to the renter). Hirer is strongly advised to purchase personal travel insurance to cover any injury or loss.

All vehicles are insured for damage to the vehicle or property of a third party. The hirer is responsible for the first \$5,000 for HiTop and Voyager models, \$7,500 for other 2WD vehicles and \$8,000 for 4WD vehicles; the cost of any damage to the property of a third party or to the rented vehicle, including vehicle accident (does not include vehicle rollover), windshield and tire damage, towing and recovery costs, theft, fire, break-in or vandalism, except as provided in the "exclusions". When the damage is caused by the hirer, the cost of the daily rental fee for the period the vehicle is being repaired is also included. In addition to these costs, an administrative fee of \$60 may apply per claim. Liability applies to each claim, not the rental. Liability can be reduced by purchasing the Liability Reduction Option or the Inclusive Package.

Liability reduction options (deductible buy down)

Cost per day:

- \$48 (with a maximum of \$2,400) for Hitop and Voyager models, liability reduced to zero.
- 53 (to a maximum of \$2,650) for 2WD models, zero liability
- 55 (to a maximum of \$2,750) for 4-wheel drive (4WD) models, liability reduced to \$500.

When the rental vehicle is two-wheel drive and the Liability Reduction Option has been purchased, the hirer has no liability except for the "exclusions".

When the rented vehicle is four-wheel drive and the Liability Reduction Option has been purchased, the hirer is responsible for the first \$500 ("the liability") of the cost of damage to third party property or the rented vehicle. This includes single vehicle accidents, windshield and tire damage, towing and recovery costs, theft, fire, break-in or vandalism, except for the "exclusions".

Hirer who rent a 4WD and do not have Max 4x4 coverage will be responsible for towing and vehicle recovery costs up

to \$8,000 in the event that towing and vehicle recovery is required on a 4x4 roadway for which the lessor has given permission (see Road Restrictions section for a list of those roads for which permission is required prior to travel). Maximum public liability is \$20,000,000, sub-limits may apply. Please note that the maximum public liability may change during the year for which these conditions apply.

THE LESSOR STRONGLY RECOMMENDS TO ITS HIRERS TO TAKE THE INCLUSIVE PACKAGE (and the Max 4x4 coverage for 4WD rentals) TO TRAVEL WITH A SAFE MIND.

Security deposit

If the Liability Reduction Option or Inclusive Pack is not taken, the hirer must pay the liability deposit. The security deposit is \$5,000 for HiTop and Voyager models, \$7,500 for all other two-wheel drive vehicles, or \$8,000 for four-wheel drive vehicles, and applies regardless of whether the hirer has purchased private travel insurance. When the rented vehicle is a 4x4 and the Liability Reduction Option or Inclusive Pack has been purchased, the deposit is \$500.

The hirer must provide a valid credit or debit card to pay the security deposit and the amount will be charged to the credit or debit card on the day of vehicle pick-up. The credit or debit card holder must be present and able to sign the security deposit at the time of vehicle pick-up. The credit or debit card holder is jointly and severally liable for any damage to the rental vehicle. Any type of prepaid travel card is not acceptable as a means of providing a security deposit.

The security deposit is subject to a credit card processing fee of 1.6% in addition to the security deposit amount when the card used is a Visa or MasterCard credit or debit card, or 2.8% when the credit card used is American Express. Credit card administration fees are subject to change.

The security deposit is fully refundable, including the 1.6% credit card processing fee, if the card used to pay the security deposit is a Visa or MasterCard credit or debit card, provided the vehicle is returned intact. Hirers are advised to use a Visa or MasterCard credit or debit card for the security deposit, as the credit card processing fee that applies when using an American Express credit card is not refundable.

Only a Visa credit or debit card, MasterCard credit or debit card or American Express credit card may be used for the security deposit.

Exclusions

The Liability Reduction Option does not apply and the hirer is responsible for all costs arising from or incurred in connection with:

- a) Any use of the vehicle prohibited by the rental agreement.
- b) Any damage caused by willful misconduct (e.g., sitting or standing on the hood or roof of the vehicle) and driving under the influence of alcohol or drugs and negligence resulting in damage to the rented vehicle or to the vehicle/property of a third party.
- c) Any loss or damage to the personal effects or property of the hirer (or any person or entity related to the hirer), unless such loss or damage is caused by the negligence of the lessor (or its employees) or by a breach of the lessor's Terms and Conditions.
- d) Any damage for which the hirer is charged by local authorities with recklessness, gross negligence or willful disregard of local traffic laws resulting in damage to the rented vehicle or the vehicle/property of a third party.
- e) Recovery or towing of a vehicle, which may include, but is not limited to, a vehicle that has become stuck, submerged, caught, pinned or restricted in any way and/or has been abandoned.
- f) Replacement of lost or stolen keys, or recovery of keys locked in a vehicle.
- g) Any damage to the roof and underside of the two-wheel drive vehicle, regardless of cause, unless the Liability Reduction Option or Inclusive Pack has been purchased.
- h) Any damage to the ceiling or underside of the four-wheel drive vehicle, regardless of cause, unless 4WD Max coverage has been purchased.
- i) Any rollover of a single vehicle, unless Inclusive Package has been purchased.
- j) All costs of towing and recovery of the vehicle (up to \$8,000) from a 4WD roadway where the lessor's permission is required in advance to operate, when the hirer has not purchased 4WD Max coverage.
- k) Any damage to the vehicle caused by a total load (kg) in excess of the recommended load in the vehicle manual. Vehicles shall not be used for the transportation of goods other than those reasonably expected to be carried on a leisure rental.
- l) Any damage caused by drivers not identified on the rental agreement and/or drivers whose license has been canceled or suspended and/or drivers whose license is considered a learner's permit or probationary license.
- m) Damage to the vehicle caused by the improper use of snow chains.
- n) Any damage caused by the improper use of fuel (diesel or gasoline), including biofuel that should not be used, or by the presence of water or any other contamination of the fuel.
- o) Any water-related damage, including, but not limited to, vehicle submersion, contact with salt water, crossing streams or rivers (applies to two-wheel drive vehicles), driving in flooded areas and driving on the beach.
- p) The hirer's mounting of accessories (whether provided by the lessor or otherwise) on the vehicle in an improper manner or in a manner that causes damage to the vehicle, accessories or any other vehicle or property.
- q) Use of the vehicle in violation of any laws or regulations governing the operation of vehicles.
- r) Any damage to the vehicle caused by the hirer's cat or dog.

CONDITIONS

Duration of the rental

- Minimum and maximum rental periods apply and are subject to change.
- Late pick-up or early drop-off of the vehicle does not entitle the renter to a refund of the unused portion of the rental.
- If a hirer wishes to extend the rental period, he/she must first obtain permission from the lessor. The extension of the rental is subject to the availability of the vehicle. The cost of a rental extension must be paid by credit or debit card

over the phone when the rental extension is confirmed. The rate charged may not match the original rate reserved. If authorization is not obtained, the daily rate will be increased by \$150.

Multiple Rentals

If a hirer has more than one consecutive rental, they can be combined to receive discounts on daily rates for long-term rentals (within a 3-month period). For vehicles that are picked up and dropped off on the same day, the cheapest rental day will be free. This also applies to the Liability Reduction Option or the Inclusive Package, if applicable. If multiple rentals occur in the same country and the total number of days exceeds 50 days, only the maximum rate applicable to the Liability Reduction Option or Inclusive Package applies. If a vehicle rental is combined with another vehicle rental of the same make that has a more expensive liability reduction option or Inclusive Package, the maximum cost of the more expensive liability reduction option or Inclusive Package applies.

In the event that a vehicle rental is combined for different brands, and they have the Inclusive Package, the Inclusive Package cannot be combined to apply a maximum rate, but the vehicle rate may have a longer term discount if applicable. However, the vehicle rate may be subject to a longer term discount if applicable.

One-Way Rentals

A per-rental surcharge applies, based on pick-up and drop-off location. A minimum rental period also applies.

Road Restrictions

Two-wheel drive vehicles may only be driven on paved/bituminous roads. The only exceptions to this rule are well-maintained access roads of less than twelve kilometers leading to recognized campgrounds, major tourist attractions and the recognized and well-maintained roads of Kangaroo Island (South Australia). If a hirer wishes to use an unpaved road longer than twelve kilometers to access a recognized campsite, special permission may be granted depending on road conditions, weather and distance. Please contact your local representative to discuss.

Four-wheel drive vehicles may be driven on paved roads and recognized unpaved roads, except as follows:

- Four-wheel drive vehicles may only be driven in the following areas with written permission from the lessor: Simpson Desert, Strzelecki Track, Gunbarrel Highway, Cape York, the Bungle Bungles, Oodnadatta Track, Birdsville Track, Tanami Track, Plenty Highway, Gibb River Road, Burke Development Road from Chillagoe to Normanton and Savannah Way from Normanton to Borroloola, Finke Road (between Alice Springs and Oodnadatta), Central Arnhem Road, Arnhem Land in general and Chambers Pillar.

- Vehicles are NOT permitted on the Canning Stock Route, Lost City in Litchfield Park, Old Gunbarrel Hwy, the old Telegraph Track section of the road to Cape York, Boggy Hole (Finke Gorge National Park), Ghan Heritage Road (Titjikala to Finke) and Fraser Island at any time.

- Vehicles are NOT permitted to travel to Cape York between the months of December and May. Outside of this period, permission is required. The old Telegraph Track section of the Cape York Road is off limits at all times, but detouring is permitted with permission.

Lessor reserves the right, in its sole discretion, to restrict vehicle travel in certain areas due to adverse road or weather conditions and the distance to designated destinations relative to the length of the rental.

If a hirer violates the road restriction rules by operating a two-wheel drive vehicle on an unpaved or restricted road, or by operating a four-wheel drive vehicle on a restricted road, the hirer may be charged a \$300 fee each time the hirer is identified by the lessor.

Driver's license and age restrictions

A full, valid driver's license is required and must be presented at the time of vehicle pick-up. If a foreign license is in a language other than English, it must be accompanied by a valid international driver's license issued in the same country as the driver's license was issued. An accredited English translation will be accepted in lieu of the International Driving Permit. Drivers must be 21 years of age or older.

A surcharge of \$2.50 on the daily rate applies for any additional drivers on the rental.

Change of drop-off location

If the hirer wishes to change the drop-off location of the vehicle, the lessee must first obtain approval from the lessor. Subject to the change being approved, an additional fee of up to \$750 may be applied.

Vehicle Change

If the reserved vehicle is not available, the lessor reserves the right to replace the vehicle with another one without prior notification and at no additional charge. This does not constitute a breach of contract and does not entitle you to a refund.

Voluntary downgrading

If the hirer decides to take a vehicle that is less expensive than the one he/she has reserved, he/she will not be entitled to any refund.

Note: The lessor reserves the right to refuse any rental at its sole discretion.

Age of vehicle

All of the lessor's vehicles are up to 4 years old since new.

Transfers

There is no transfer service to and from the rental center, hirers must come and go by their own means.

Toll and Traffic Notices and Administration Fees

The lessor reserves the right to charge the hirer for any speeding, toll or parking fines. In addition to the costs

associated with each fine, an administrative fee of \$60 may be applied.

If a hirer continues to exceed a speed limit of 110 km or continues to exceed the posted speed limit by repeatedly ignoring the warnings of the telematics system installed in the vehicle, the lessor may charge the hirer a fee of \$300.

Pets

Up to two cats or dogs may be transported in the vehicle. A fee of \$299 applies to each rental. Traveling pets must be registered, flea treated and controllable. Upon pick-up and drop-off, hirers must ensure that their pet is on a leash and supervised by an adult outside the agency. Pets must be clean and dry before entering the vehicle. While driving, pets must be tied to the back of the vehicle to avoid distracting the driver. The lessor reserves the right to charge the hirer a cleaning fee of \$299 for any soiling of the vehicle due to an animal.

Payments by credit and debit card

The credit or debit card holder is jointly and severally liable as a customer. Accepted cards are Visa credit or debit card, MasterCard credit or debit card and American Express credit card. A non-refundable administration fee of 1.6% applies to all Visa and MasterCard transactions, or 2.8% for American Express. The credit card administration fee also applies to the security deposit and only the customer's credit or debit card may be used to pay the security deposit and for credit card authorization. Credit card processing fees are subject to change.

Credit Card Administration

The hirer authorizes the lessor to retain the renter's credit or debit card information and to take any action to collect from the credit or debit card the amounts owed by the hirer in accordance with the terms and conditions of the rental agreement. These charges include, but are not limited to, vehicle cleaning (including emptying of toilets and waste water tank), fines for speeding, tolls, parking or illegal camping, roadside assistance, vehicle delivery and return, late return charges, failure to return the vehicle with full diesel or gasoline tanks or full LPG cylinder, rental extensions or exclusions. For security reasons, only the hirer's Visa credit or debit card, MasterCard credit or debit card or American Express credit card may be used by the Credit Card Authority. Credit or debit cards must be valid for 90 days after the rental end date.

Exchange Rates/Currency Fluctuations

All credit and debit card transactions are made in Australian dollars. If a refund is due, the lessor will credit the full amount due to the customer's credit or debit card. The lessor accepts no responsibility for credit or debit card fees or bank charges for currency conversion or foreign transactions, which may appear as a variation between the total charged and the total refunded.

Changes to reservations

All reservation changes are subject to vehicle and/or package availability. Different rates may apply depending on the change made.

Changes made prior to the vehicle pick-up date will be charged at the flexible rate applicable on the date of the change. This applies to changing the hirer's name, vehicle type, reducing the number of rental days, changing the pick-up dates and/or changing the pick-up or drop-off location. When the number of rental days is extended prior to the vehicle pick-up date (days are added at the end of the rental without changing the original pick-up date), the rate applicable at the time of reservation applies.

Cancellation Policy

If the hirer changes travel dates and then cancels the reservation:

- the cancellation fee applying to the original cancellation period applies when the hirer has rescheduled their travel dates; and
- the cancellation fee for the new cancellation period applies when the hirer has advanced their travel dates.

The following cancellation fees apply:

- In case of cancellation more than 65 days before the pick-up date: no fee
- For cancellations between 65 and 25 days prior to pick-up: 10% of the rental amount
- In case of cancellation between 24 and 10 days before the pick-up date: 20% of the rental amount
- In case of cancellation 9 to 5 days before the pick-up date: 50% of the rental amount
- In case of cancellation less than 3 days before pick-up or no-show: 100% of the rental fee

If the vehicle is returned earlier, there is no refund for the unused days.

The cancellation fee period is based on Australian Eastern Time.

Miscalculations

The lessor will not honor miscalculations. If a miscalculation occurs, the lessor will charge for the loss of profit.
